2. Mr. Francis Wilcox, of the staff of the Senate Foreign Relations Committee, called to state that Sen. Alexander Smith would be available on the morning of 16 November for debriefing on his recent trip to the Far East. However, the Director's schedule, as well as the schedule of the FE Division/DDP, would not permit of a debriefing on the morning of the 16th, and a later date will be established.

3. The other day I saw Congressman Vorys. Mr. Vorys would like to come down for an informal chat with the Director at any time. As Congressman Vorys is a member of the Randall Commission on Foreign Economic Policy, it might be helpful to the administration if he came down, as we might wish to discuss our reactions to problems of foreign trade.
